| Important Questions | Answers | Why This Matters: |
|---|--|--|
| What is the overall deductible ? | \$1,000/person or \$3,000/family for In- Network Providers . \$10,000/person or \$20,000/family for Non- Network Providers . | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible ? | Yes. Primary Care. Preventive Care . Certain Prescription Drugs . Vision. For more information see below. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | \$8,550/person or \$17,100/family for In- Network Providers . \$15,000/person or \$30,000/family for Non- Network Providers . | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Premiums , balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. See www.anthem.com/find-care/?alphaprefix=BJX or call (855) 330-1108 for a list of network providers . Costs may vary by site of service and how the provider bills. | You pay the least if you use a provider in Preferred Network . You pay more if you use a provider in In- Network . You will pay the most if you use an Out-of-Network Provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an Out-of-Network Provider for some services (such as lab work). Check with your provider before you |

| | | get services. |
| Do you need a referral to see a specialist? | No. | You can see the specialist you choose without a referral . |
